Dear Artie:

As I flipped through the pages of The Butt Book I just couldn't stop myself from smiling! It absolutely brought out the child in me – and I can just imagine what joy it will bring to children when they have the opportunity to read and experience a book that's filled with such whimsical, lighthearted language and charming illustrations!

Your book is fun for fun's sake.....and that's what reading should *always* be about. So please allow me to thank you sincerely for your thoughtfulness – and to likewise wish you the very best of luck with this and all your future literary endeavors!

Warmest regards,

Marty Markowitz
